OutVenture Trips

The Tennessee River carves a majestic gorge, known as the "Grand Canyon" of Tennessee, through the Cumberland Plateau, just minutes from downtown Chattanooga. This blueway lends itself to beautiful kayaking journeys, exquisite hiking trails and breathtaking camping locations. Food and paddling equipment is provided by OutVenture.

If you would prefer an afternoon of mountain biking, canoeing, whitewater kayaking or rock-climbing, OutVenture has the staff and equipment and knowledge to meet that need also.

OutVenture is happy to create a custom

program for you or your group. Give us a call today to begin planning a program for your group. From school field trips to church youth groups, OutVenture has introduced thousands of people to the outdoor world of Chattanooga. Our home base

is the North Chickamauga Creek, but we can plan most any trip to fit your dream.
